

CLASSIC CAR MECHANIC

Our company is seeking a skilled classic car mechanic to join our team in Tucson, AZ. We have been operating in the Phoenix area for close to 40 years and recently opened a new shop in Tucson so we are looking for someone who wants to help us keep growing the company and grow with it.

Our ideal candidate is a self-starter who is mechanically inclined and will have experience working on classic cars. This person will be responsible for performing service, maintenance and repair tasks on various vehicles including, but not limited to, diagnosing and repairing issues with the vehicle's electrical systems, mechanical systems, electrical systems, computer systems, electronic systems, air conditioning systems, steering systems, suspension, steering, brakes, engine management systems and emissions.

REQUIREMENTS

- Valid driver's license with clean driving record
- Knowledge of automotive repair and experience with classic cars
- Ability to use hand tools
- Willingness to learn from on-the-job training
- Ability to work well with others in a team environment
- Reliable transportation to get to work every day
- Physical ability to perform job duties including bending, lifting up to 50 pounds, standing for long periods of time and working in various weather conditions (hotter than 100 degrees)

If you think you would be a good fit for this job, please send us your resume.
